**RE: Emergency Request for Judicial Action**  
*Seth Mitchell v. The Goldman Sachs Group, Inc., et al., 17-CV-6258 (CM)*  
**Public Demand: \$US176,717,100.00**

Chief United States District Judge McMahon:

As the Original Complaint Filed 17 August 2017 (Docket No. 2) and the Declaration Filed 26 December 2017 (Docket No. 10) prove incontrovertibly, various State and private Bad Actors have caused indelible injury to this good Plaintiff – Prosecutor in malevolent, recursive fashion over the past fifteen (15) years in The United States of America: such torment, defilement, and wanton, purposeful illegalities have literally and in every way destroyed his personal, professional, and academic lives; in fact, Your Honour has Granted good Plaintiff – Prosecutor’s IFP Application on 6 October 2017.

To this day, not one of the Original Named Defendants have come to the table to work civilly with this aggrieved Claimant on just, final, and mutually – beneficial Settlement of his meritorious Claims; they each have the *ability* to Settle, but not the *willingness* to do so – most wicked are each and every one of them and The People of the United States of America and good Plaintiff - Prosecutor respectfully demand Justice from Court given this ongoing *Emergency*.
